

## IN YEAR ADMISSIONS

### For admission from September 2021 to July 2022

#### **IMPORTANT INFORMATION**

This form should be used for all pupils in Foundation, Year 1 or Year 2 who require a place at Olney Infant Academy, either during or at the start of the school year and who are not due to start school for the first time. This may be due to a house move or to request an alternative school place. If the child has a statutory statement of special educational needs please contact the Special Educational Needs Team at Milton Keynes Council for information on how to apply.

#### **Before you apply**

Please read the important information below before completing the application form.

- Applications for in year school places should be made by completing the attached form.
- This form is to be used only for an application to Olney Infant Academy.
- The school place will normally be required within two months of the application date. Applications will be accepted for a September admission from the preceding April. School places cannot be reserved therefore we process and allocate places, where possible, close to the date the school place is required. Once a school place has been offered the child should start attending by the date agreed with the school otherwise the place may be withdrawn.
- If you are moving into our reserved area, documentary evidence in the form of a solicitor's letter to confirm exchange of contracts or a copy of your signed lease agreement may be required to support your application.
- If you have moved to the area from overseas you must provide a copy of your child's passport and visa.
- Your application will not be processed until your child/ren is/are resident within the country.
- Olney Infant Academy reserves the right to seek further documentary evidence if appropriate.

#### **School Section**

If the child is currently attending a school within the Milton Keynes Local Authority you **must** get the school section of the form completed by your child's current school. Failure to do so will result in a delay in processing your application.
